½ Day Trip --- **Meet at 12:30pm**

Directions:

From I-5, take the Merlin Exit #61 (3 mi. north of Grants Pass). Go West on Merlin/Galice Rd. for 15.4 miles to the town of Galice. The Galice Resort will be on the right hand side. We will meet you at the non-operational gas pumps, which are next to the restaurant/gift shop.

Trip Outline (Please do not be late, others are waiting on you): On the day of your trip **(12:30pm)** we will meet you at the Galice Resort. Make sure to eat lunch before the trip. Please show up in your rafting clothes. Here you will meet your guides and receive your dry bags to put your personal items in (such as camera and sunblock). We will shuttle you to the river where you will get fit for your lifejacket. Your guide will give a safety talk and then you will be on the river!

Rafting Clothing & Footwear: We recommend shorts and a t-shirt with a bathing suit underneath. Cotton should not be worn in cool or wet weather and should only be worn during hot weather conditions. Your footwear should be a sandal that straps on to your feet. Flip-flops are not recommended (they can fall off). Tennis shoes are fine to wear with the knowledge that they will get wet. A synthetic fleece or thin wool sweater is also adequate to bring. We provide a drybag for your items if you need it.

Please call us at **800-423-8868** or email info@roguecanyon.com if you have any questions.

We look forward to giving you the adventure you deserve!
